

India's Largest **AGRI SHOW**

11-15 DEC. 2019 / PUNE

2019

kisan.in

KISAN is the Largest and most important agricultural show in India. it is the launching stage for the technological trends and innovations.

KISAN fair is attended by the largest number of farmers & Agri traders from across India. It connects you with the Opinion Makers and Change Agents in Indian Agriculture. Interact with them and get an overview of emerging trends.

KISAN 2019

In 2019, KISAN will have access to a much larger venue, with better facilities. It will help in expanding the platform to accommodate new activities. Large areas will be earmarked for new initiatives.

KISAN exhibition is keeping pace with Farmer's quest for new opportunities in the ever-changing world.

Come, be a part of it!

11-15 DECEMBER

2019

**INDIA'S
LARGEST
AGRI
SHOW
PUNE**

www.kisan.in

Kisan's large database of farmers from across India is carefully collected, classified and regularly updated each year. The database contains details of 450,000+ agri professionals, dealers and traders. With innovative outreach and targeting programmes KISAN SAMVAAD ensures that the farmers you interact with at KISAN represent the very best of Indian agriculture.

How we reach them

Post / Project Sampark / SMS Broadcast / Whatsapp / Call Centre / E- Invitation / Website / Mobile Apps

KISAN.net

Network with Farming community

KISAN will offer you a new online platform to locate your future partners and network with Indian Agri Industry. It will help you locate individuals and organisations with mutual interests. You can start your dialogue much before you arrive at KISAN fair. And when you arrive, you can have face to face meetings & ink the deals. A separate Arena will help you facilitate these meetings. So, book your space early and discover new opportunities.
